ACADEMY RULES AND REGULATIONS

The academy division is for those riders and/or drivers who have never competed in an "A" circuit show. Helmets are required for all riders, in compliance with the 2009 Congressional helmet law.

Age and Division:

Membership to the Florida State High Point Program is required for all riders wanting to compete in the Academy classes. A rider's age for the competition year is determined by the age on December 1st of the preceding year.

Class Rules:

Headers are allowed in if needed for safety. No towels or whips or allowed in with them. Classes will be split at the 13th rider. Splits will be shuffled to keep showmanship and equitation back-to-back. Class holds will be 2 minutes in length with no exceptions. Holds must be requested 15 minutes before the academy session/show begins. Gate times will be strictly enforced and as one class exits the next will be promptly called.

Academy Horses:

Horses in academy classes MUST be a lesson horse regularly used in a professionally operated lesson program. The horses must display safety characteristics accordingly. Horses will be excused from the competition for unsafe behavior, such as going too fast for a rider to handle. Horses are not to be judged and must be serviceably sound. No farm/barn affiliation should be visible on the horse, tack, or rider.

Turn out rules:

A plain shod horse is required. One therapeutic pad and/or wedge is allowed. No saddle seat mane braids or artificial appliances are to be used. Hoof blacking and hunter braiding are optional. Any protective leg wraps, knee boots, bell boots, and splint boots are allowed but must be similar color to the horse's body color.

Academy Equitation:

Judged on the rider's basic equitation skills with correct diagonals and leads. Proper use of the ring is considered.

Academy Showmanship:

Judged on the rider's horsemanship abilities. It is judged on the rider's ability to control and show their horse. The rider's command of the horse (for example: speed, collectiveness, and placement in the ring) is to be considered. Walk/Trot riders should not be penalized for incorrect diagonals.

For Walk/Trot/Canter riders, promptness in finding the correct leads and diagonals is important.

Walk/Trot On the Line Class:

Riders are to be judged on form and presentation style. Walk/Trot riders will enter the ring at a walk and be judged on the rail as a group at the walk both directions of the ring. The class will line up. Each rider and leader will individually trot down one long rail, reverse, trot back, and return to the lineup. Trainers may designate a temporary header in the lineup should they need to run with another rider. In equitation classes, diagonals will count. Trainers may help with diagonals. In showmanship classes, diagonals will not count. If a show only has one Walk/Trot lead line class on the schedule, it is to be conducted as an equitation class.

Novice Classes:

These classes are for each age division and for riders who have not received 3 blue ribbons in any and all academy divisions except lead line classes.
